# Cuadro
Step Light

The Cuadro Step Light is defined by a minimalist architectural design and a wide light distribution. Perfect for illuminating pathways evenly, its wide beam allows for the installation of less luminaries compared to traditional step lights. Discreet yet highly practical, this step light will meet the demands of any application.

Specifications

Finish		
		UV Textured Black
		UV Textured White
		Anodised Aluminium

Colour Temperature		
	○	2,700K
	○	**3,000K**
	○	4,000K

IP Rating	65	CRI	80+

Colour Deviation	SDCM ≤ 3 (MacAdam)

Lifetime	Reported L70 > 36,000h
Power Factor	> 0.90
Driver (sold separately)	**24V IP20** 16W / 36W / 60W
	24V IP68 16W / 36W / 60W / 120W / 320W
	Dimmable driver option available
Wiring	Wired in parallel

Wallbox	Included

Notes

Remote driver required for DALI capabilities.
Osram, Tridonic and Meanwell control gear are available upon request.
Lumen output may vary depending on colour temperature, beam angle and CRI.

3 yr Warranty   DALI Optional   IP65

Dimmable Optional   Coastal Rated
