

PIXIE MULTIFUNCTION REMOTE CONTROL SMRM/BTAS

SMART HOME - Battery powered push button PIXIE remote control

Application

Ideal for residential designs, care homes where access to switches is difficult or restricted for the user and installations where additional wiring requirements is unrealistic

Design Specifications

- Gen 3 digital remote push button control with connectivity to any PIXIE device within 15 metres
- Simple, remote battery control with a blue or amber LED function indicator
- Dim, switch with ease, no messy wiring
- Switch and dimming control is achieved only in conjunction with PIXIE devices or products. All devices must be paired once installed, for functionality.
- Max 3 gang configuration, no wires required
- Fits into most Australian switch plates including the PIXIE Ambience series

Performance

- Dimmable - **YES**
- Dimmer Type - **PIXIE BLUETOOTH**
